

VIA optronics is a very successful, dynamic, fast-growing, international company with production sites in Germany and China and more than 800 employees worldwide. As leading provider of sunlight readable, ultrathin display and touch solutions, we develop and produce display systems and solutions for consumer electronics, industrial and automotive customers.

In line with our growth and to strengthen our team at our site in **Shiga, Japan**, we are looking for a

IT System Administrator (m/f/d)

to maintain, upgrade and manage our software, hardware and networks.

Responsibilities

- Install and configure software and hardware
- Manage network servers and technology tools
- Set up accounts and workstations
- Administrate infrastructure, including firewalls, databases, malware protection software and other processes
- Monitor performance and maintain systems according to requirements
- Troubleshoot issues and outages
- Ensure security through access controls, backups and firewalls
- Upgrade systems with new releases and models
- Develop expertise to train staff on new technologies

Requirements

- Proven experience as a System Administrator, Network Administrator or similar role
- Experience with networks (LAN, WAN) and patch management
- Experience with Microsoft Active Directory, Exchange Server
- Experience with VMware
- Knowledge of system security and data backup/recovery
- Familiarity with various operating systems and platforms
- Resourcefulness and problem-solving aptitude
- Excellent communication skills in English
- Knowledge of MS Dynamics NAV a plus

Our ideal candidate

- Self-motivated and proactive personality
- Independent and autonomous working style
- Strong analytical and problem-solving skills
- Excellent written and spoken English skills
- Excellent written and spoken Japanese language skills

We offer you the opportunity to grow with new challenges in a dynamic, international environment and a performance-oriented salary and bonus to value your individual talent and experience. If you are interested in this opportunity, please send your detailed application stating your desired salary and earliest entry date. We are looking forward to receiving your application at **career@via-optronics.com**.
